SUMMED-PV is a 5-days immersive program where you'll engage with researchers and managers.

Learn both theoretical and practical aspects, and interact with experts to explore business opportunities.

SUMMER SCHOOL

RAW MATERIALS IN PHOTOVOLTAICS

UNIVERSITY OF SALERNO

VIA GIOVANNI PAOLO II 132, 84084 FISCIANO, ITALY

Monday 08/09/2025**Raw Materials**

Interactive seminars on Raw Materials' strategic role in current and future photovoltaic technology

Introduction to Life Cycle Assessment of photovoltaic modules and power electronics

Meet industries and startups

Tuesday 09/09/2025**Life Cycle Assessment**

Life Cycle Assessment (LCA) of photovoltaic systems components by a professional software: hands-on teamwork activity kickoff

Visit to BITRON plant in Salerno

Social activities and dinner

Wednesday 10/09/2025**Power electronics**

Reliability, sustainability and environmental compatibility of photovoltaic power electronics

Storage integration

Meet the startups

Hands-on teamwork activity

Thursday 11/09/2025**Recycling**

Photovoltaic systems materials and their recycling

Hands-on teamwork activity

Friday 12/09/2025**Lab-to-Market and teamwork**

Lab-to-Market

Teamwork results presentation and award ceremony
